

Next Door Market

Technical Documentation for "Next Door Market" Homepage

Overview:

The homepage of "Next Door Market" is designed to provide a user-friendly and seamless online shopping experience for customers. It includes essential navigational elements, promotional content, and key information that emphasizes the store's commitment to affordability, fast delivery, round-the-clock support, and secure payment options.

Sections:

1. Top Navigation Bar:

- **Email Address:** Displays the email address tayyemabood@gmail.com for customer queries and communication.
- **Search Bar:** A search bar with the placeholder text "What are you looking for?" enabling users to quickly find products.
- **Language Selection:** Provides an option to select the language (currently set to English).

- **Shopping Cart:** Icon indicating 0 items and a total of 0.00\$ in the cart, allowing users to view and manage their selected items.

2. Main Navigation Menu:

- **Categories:** Link to explore product categories.
- **Home:** Link to return to the homepage.
- **Products:** Link to browse all available products.
- **Tracking:** Link for order tracking.
- **Cart:** Link to view the shopping cart.
- **Checkout:** Link to proceed to the checkout process.

3. Banner Section:

- **Promotional Messages:** Features two slogans:
 - "Saves You Money, all day everyday!"
 - "Just Around the Corner, Always Affordable."
- **Images:** Includes images of various food items such as bread, meat, vegetables, and eggs.
- **Visuals:** Two individuals are shown, but their faces are blurred out, focusing attention on the message and products.

4. Key Features:

- **Fast Delivery:** Icon and text highlighting 100% on-time delivery.
- **24/7 Support:** Icon and text indicating round-the-clock customer support.
- **Secure Payments:** Icon and text assuring secure payment options.

5. Footer Section:

- **Logos:** Includes logos for "banToni" and "vCorp," potentially representing partners or affiliations.

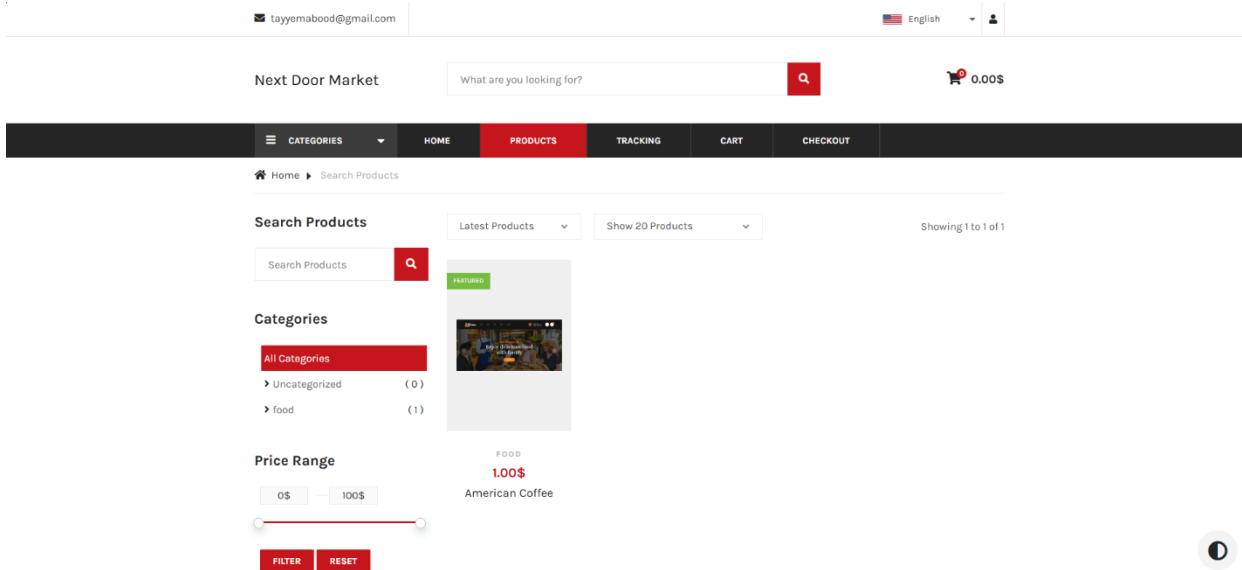

Functionality:

- **Search Functionality:** Enables users to quickly find products by entering keywords into the search bar.
- **Navigation:** Allows users to easily access different sections of the website through the main navigation menu.
- **Promotional Content:** Effectively communicates the store's value propositions through the banner and icons.

- **Customer Assurance:** Emphasizes reliability and trust through messages of fast delivery, 24/7 support, and secure payments.

Design Considerations:

- **User Experience:** The layout is designed to be intuitive and easy to navigate, ensuring a positive user experience.
- **Visual Appeal:** The use of appealing images and clear promotional messages aims to attract and retain customers.
- **Branding:** Consistent use of logos and colors reinforces the brand identity of "Next Door Market."

Technical Documentation for "Next Door Market" Products Page

Overview:

The products page of "Next Door Market" is designed to facilitate easy browsing, searching, and filtering of available products. It offers users a streamlined experience to find and select items based on categories, price range, and other filters.

Sections:

1. Top Navigation Bar:

- **Email Address:** Displays the email address tayyemabood@gmail.com for customer queries and communication.
- **Search Bar:** A search bar with the placeholder text "What are you looking for?" enabling users to quickly find products.
- **Language Selection:** Provides an option to select the language (currently set to English).

- **Shopping Cart:** Icon indicating 0 items and a total of 0.00\$ in the cart, allowing users to view and manage their selected items.

2. Main Navigation Menu:

- **Categories:** Link to explore product categories.
- **Home:** Link to return to the homepage.
- **Products:** Link to browse all available products.
- **Tracking:** Link for order tracking.
- **Cart:** Link to view the shopping cart.
- **Checkout:** Link to proceed to the checkout process.

3. Search Products Section:

- **Search Input Field:** An input field where users can enter keywords to search for specific products.
- **Search Button:** A button to initiate the product search based on the entered keywords.

4. Categories Section:

- **All Categories:** A link to view all product categories.
- **Uncategorized:** Category with 0 products.
- **Food:** Category with 1 product available.

5. Price Range Filter:

- **Slider:** A slider control to set the desired price range from 0\$ to 100\$.
- **Filter Button:** A button to apply the selected price range filter.
- **Reset Button:** A button to reset the price range filter to default values.

6. Product Listing:

- **Featured Products:** A section that highlights featured products within the selected category.
- **Product Example:** "American Coffee" priced at 1.00\$ under the "food" category.

Functionality:

- **Search Functionality:** Enables users to quickly find products by entering keywords into the search bar and using the search button.
- **Filter Products:** Users can filter products based on categories and price range using the provided filters.

- **Navigation:** Allows users to easily access different sections of the website through the main navigation menu.

Design Considerations:

- **User Experience:** The layout is designed to be intuitive and easy to navigate, ensuring a positive user experience.
- **Visual Appeal:** The use of appealing images and clear promotional messages aims to attract and retain customers.
- **Branding:** Consistent use of logos and colors reinforces the brand identity of "Next Door Market."

The screenshot shows the homepage of the Next Door Market website. At the top, there is a header with a search bar containing the email address 'tayyemabood@gmail.com'. Below the header is a navigation bar with links for 'HOME', 'PRODUCTS', 'TRACKING', and 'CART'. The main content area features a 'Next Door Market' logo and a search bar. A breadcrumb navigation path 'Home > Track Order' is visible. The 'Track Order' page has a title 'Track Order' and a sub-instruction 'You can check the status of your order. Please enter the order ID and you will get inform'. Below this is a form with two input fields: 'Order ID' and 'Enter Order ID to track'. The footer is dark with white text, containing the 'Next Door Market' logo, a 'Footer' link, and sections for 'Information' (About Us, Contact Us, Privacy Policy) and 'Account' (My Profile, My Orders, Track Order).

Technical Documentation for "Next Door Market" Order Tracking Page

The screenshot shows the "Your Shopping Cart" page of the Next Door Market website. At the top, there's a navigation bar with links for 'CATEGORIES', 'HOME', 'PRODUCTS', 'TRACKING', 'CART' (which is highlighted in red), and 'CHECKOUT'. A search bar with placeholder text "What are you looking for?" is also present. On the left, there's a sidebar with a logo and a link to "Your Shopping Cart". The main content area is titled "Your Shopping Cart" and contains a table with one item: "American Coffee" at \$1.00 each, quantity 2, totaling \$2.00. Below the table are buttons for "Enter Voucher/Promo Code" and "APPLY". There are also "UPDATE CART" and "CONTINUE SHOPPING" buttons. To the right, there's a summary table with columns for "Sub Total", "Discount", "Shipping Charges", and "FINAL TOTAL", all showing \$2.00. A "PROCESS TO CHECKOUT" button is located at the bottom right.

Technical Documentation for "Next Door Market" Shopping Cart Page

Overview:

The shopping cart page of "Next Door Market" provides customers with an easy-to-use interface to review, update, and manage the items they intend to purchase. It also includes features to apply discount codes and proceed to the checkout process.

Sections:

1. Top Navigation Bar:

- **Email Address:** Displays the email address tayyemabood@gmail.com for customer queries and communication.
- **Search Bar:** A search bar with the placeholder text "What are you looking for?" enabling users to quickly find products.
- **Language Selection:** Provides an option to select the language (currently set to English).
- **Shopping Cart:** Icon indicating a total amount of 2.00\$ in the cart, allowing users to view and manage their selected items.

2. Main Navigation Menu:

- **Home:** Link to return to the homepage.
- **Products:** Link to browse all available products.
- **Tracking:** Link for order tracking.
- **Cart:** Link to view the shopping cart (highlighted to indicate the current page).
- **Checkout:** Link to proceed to the checkout process.

3. Shopping Cart Details:

- **Title:** "Your Shopping Cart" header to indicate the content of the page.
- **Subtitle:** "Details of your shopping cart."
- **Product Table:**
 - **Columns:** Image, Item, Price, Quantity, and Total.
 - **Product Listing:** Example of a product:
 - **Image:** Thumbnail of "American Coffee."
 - **Item:** American Coffee.
 - **Price:** 1.00\$.
 - **Quantity:** 2 (with buttons to increase or decrease the quantity).
 - **Total:** 2.00\$.

4. Voucher/Promo Code:

- **Input Field:** Text box to enter a voucher or promo code.
- **Apply Button:** Button to apply the entered code.

5. Cart Management Buttons:

- **Update Cart Button:** Button to update the cart with any changes made.
- **Continue Shopping Button:** Button to continue browsing and adding more products.

6. Summary Section:

- **Sub Total:** Displays the subtotal amount of 2.00\$.
- **Discount:** Displays any applied discount (currently 0.00\$).
- **Shipping Charges:** Displays shipping charges (currently 0.00\$).
- **Final Total:** Displays the final total amount of 2.00\$.
- **Process to Checkout Button:** Button to proceed to the checkout process.

Functionality:

- **Product Management:** Allows users to review, update, and manage the items in their shopping cart, including changing quantities and removing items.
- **Voucher Application:** Users can apply discount codes to their order by entering a code and clicking the "Apply" button.
- **Navigation:** Enables users to easily access different sections of the website through the main navigation menu.
- **Checkout Process:** Provides a clear path for users to proceed to the checkout and complete their purchase.

Design Considerations:

- **User Experience:** The layout is designed to be intuitive and easy to navigate, ensuring a positive user experience.
- **Visual Appeal:** The use of appealing images and clear instructions makes it easy for users to manage their shopping cart.
- **Branding:** Consistent use of logos and colors reinforces the brand identity of "Next Door Market."

PRODUCT	TOTAL

Discount	0.00\$
Shipping Charges	0.00\$
TOTAL	2.00\$

Technical Documentation for "Next Door Market" Checkout Page

Overview:

The checkout page of "Next Door Market" is designed to provide customers with a streamlined and secure way to complete their purchase by entering contact and shipping details, reviewing their order, and selecting a payment method.

Sections:

1. Top Navigation Bar:

- **Email Address:** Displays the email address tayyemabood@gmail.com for customer queries and communication.
- **Search Bar:** A search bar with the placeholder text "What are you looking for?" enabling users to quickly find products.
- **Language Selection:** Provides an option to select the language (currently set to English).
- **Shopping Cart:** Icon indicating a total amount of 2.00\$ in the cart, allowing users to view and manage their selected items.

2. Main Navigation Menu:

- **Home:** Link to return to the homepage.
- **Products:** Link to browse all available products.
- **Tracking:** Link for order tracking.
- **Cart:** Link to view the shopping cart.
- **Checkout:** Link to proceed to the checkout process (highlighted to indicate the current page).

3. Contact Details:

- **Full Name:** Text field for entering the customer's full name.
- **Email:** Text field with a placeholder "contact@email.com" for entering the customer's email address.
- **Phone Number:** Text field with a placeholder "+12 34567890" for entering the customer's phone number.
- **Create Account Option:** Checkbox to create an account and a link to log in if the customer already has an account.

4. Shipping Details:

- **Country:** Text field for entering the customer's country.
- **City:** Text field for entering the customer's city.
- **Address:** Text field for entering the customer's address.
- **Zip Code:** Text field for entering the customer's zip code.

5. Your Order:

- **Product Listing:** "American Coffee x 2" indicating the product and quantity.
- **Sub Total:** Displays the subtotal amount of 2.00\$.

- **Discount:** Displays any applied discount (currently 0.00\$) with a link to apply a promo code.
- **Shipping Charges:** Displays shipping charges (currently 0.00\$).
- **Total:** Displays the final total amount of 2.00\$ highlighted in red.
- **Modify Cart Option:** Link to modify the cart items.

6. Payment:

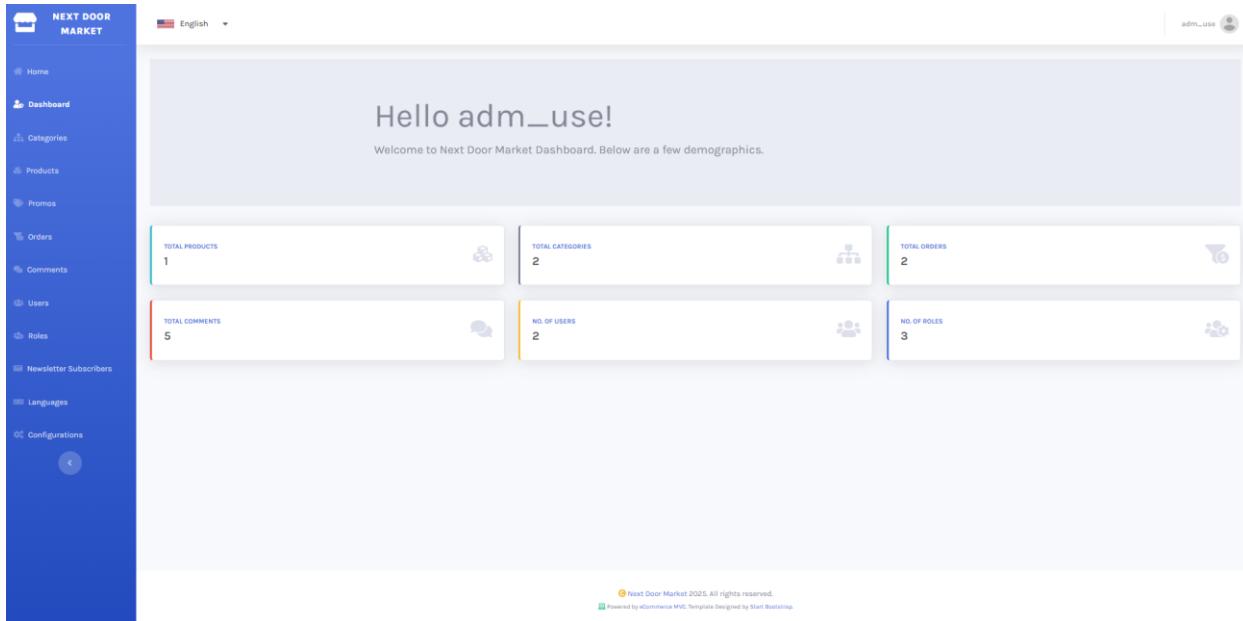

- **Payment Options:** Two options:
 - "Pay via Cash on Delivery" with an icon.
 - "Pay via PayPal" with an icon.

Functionality:

- **Contact and Shipping Details:** Allows customers to enter their contact and shipping information required for the order.
- **Order Review:** Provides a detailed summary of the order, including products, subtotal, discount, shipping charges, and total amount.
- **Payment Selection:** Enables customers to select their preferred payment method from the available options.
- **Navigation:** Allows users to easily access different sections of the website through the main navigation menu.

Design Considerations:

- **User Experience:** The layout is designed to be intuitive and easy to navigate, ensuring a positive user experience.
- **Visual Appeal:** The clear structure and concise instructions make it easy for users to complete the checkout process.
- **Branding:** Consistent use of logos and colors reinforces the brand identity of "Next Door Market."

Technical Documentation for "Next Door Market" Dashboard Page

Overview:

The dashboard page of "Next Door Market" provides a comprehensive overview of the website's key metrics and activities. It is designed to help administrators manage the market efficiently and access various sections of the e-commerce management system.

Sections:

1. Left Sidebar Navigation:

- **Home:** Link to the homepage of the dashboard.
- **Dashboard:** Link to the main dashboard overview.
- **Categories:** Link to manage product categories.
- **Products:** Link to manage products.
- **Promos:** Link to manage promotional offers.
- **Orders:** Link to manage customer orders.
- **Comments:** Link to manage customer comments.
- **Users:** Link to manage user accounts.
- **Roles:** Link to manage user roles and permissions.
- **Newsletter Subscribers:** Link to manage newsletter subscriptions.
- **Languages:** Link to manage language settings.
- **Configurations:** Link to configure website settings.

2. Main Dashboard Overview:

- **Welcome Message:** "Welcome Adm_use" greeting the user.
- **Statistics:**
 - **Total Products:** Displays the total number of products (1).
 - **Total Categories:** Displays the total number of categories (2).
 - **Total Orders:** Displays the total number of orders (2).
 - **Total Comments:** Displays the total number of comments (5).
 - **No. of Users:** Displays the total number of users (2).
 - **No. of Roles:** Displays the total number of roles (3).

3. Footer Section:

- **Text:** "© Next Door Market 2025. All rights reserved."
- **Powered By:** "Powered by eCommerce MVC. Template Designed by Start Bootstrap."

Functionality:

- **Navigation:** Allows administrators to easily access different sections of the e-commerce management system through the left sidebar.
- **Statistics Overview:** Provides a quick snapshot of key metrics such as total products, categories, orders, comments, users, and roles.
- **User Management:** Enables administrators to manage users and roles effectively.
- **Content Management:** Facilitates the management of products, categories, promos, orders, comments, and newsletter subscribers.

Design Considerations:

- **User Experience:** The layout is designed to be intuitive and easy to navigate, ensuring a positive user experience for administrators.
- **Visual Appeal:** The clear structure and concise presentation of metrics make it easy for administrators to understand and manage the market's activities.
- **Branding:** Consistent use of logos and colors reinforces the brand identity of "Next Door Market."

The screenshot shows the 'Categories' section of the 'Next Door Market' admin interface. On the left is a vertical navigation menu with links for Home, Dashboard, Categories (which is highlighted in blue), Products, Promos, Orders, Comments, Users, Roles, Newsletter Subscribers, Languages, and Configurations. At the top right, there's a language selection dropdown set to 'English', a user profile icon, and a 'adm...use' button. The main content area has a header 'Categories' and 'Categories Listing'. Below is a search bar with fields for 'Search by Category Name' and 'Select Categories by Parent Category', a search button, and a 'Reset' button. A green button labeled '+ Create Category' is also present. The main table lists categories with columns for 'Name', 'Parent Category', 'Description', 'Products', and 'Actions'. It shows two entries: 'Uncategorized' (parent category) and 'food' (child category). The 'food' entry has a description 'asdfghjkl ddf wefdgfwedw edwedf', 2 products, and edit/delete buttons.

The categories page of "Next Door Market" is designed to provide administrators with a clear and organized interface to manage product categories. It allows for creating, editing, and deleting categories to ensure products are grouped appropriately.

Sections:

1. Top Navigation Bar:

- **Email Address:** Displays the email address tayyemabood@gmail.com for customer queries and communication.
- **Search Bar:** A search bar enabling users to search for specific categories.
- **Language Selection:** Provides an option to select the language (currently set to English).
- **Shopping Cart:** Icon indicating the total amount in the cart.

2. Main Navigation Menu:

- **Home:** Link to return to the homepage.
- **Dashboard:** Link to the main dashboard overview.
- **Categories:** Link to manage product categories (highlighted to indicate the current page).
- **Products:** Link to manage products.
- **Promos:** Link to manage promotional offers.
- **Orders:** Link to manage customer orders.
- **Comments:** Link to manage customer comments.

- **Users:** Link to manage user accounts.
- **Roles:** Link to manage user roles and permissions.
- **Newsletter Subscribers:** Link to manage newsletter subscriptions.
- **Languages:** Link to manage language settings.
- **Configurations:** Link to configure website settings.

3. Category Management:

- **Search and Reset:** A search bar to find specific categories and a reset button to clear search filters.
- **Category List:**
 - **Uncategorized:** Description "Products that are not categorized. uncategorised, unclassified - not arranged in any specific grouping." with 0 products, and options to edit or delete.
 - **Food:** Description "asdfghjkl dfd wefdgfwedw edwedf" with 2 products, and options to edit or delete.
- **Create Category Button:** A button to create new categories.

4. Footer Section:

- **Text:** "© Next Door Market 2025. All rights reserved."
- **Powered By:** "Powered by eCommerce MVC. Template Designed by Start Bootstrap."

Functionality:

- **Category Management:** Allows administrators to create, edit, and delete product categories to keep the product catalog organized.
- **Search and Filter:** Enables users to quickly find specific categories using the search bar and reset button.
- **Navigation:** Allows users to easily access different sections of the e-commerce management system through the main navigation menu.

Design Considerations:

- **User Experience:** The layout is designed to be intuitive and easy to navigate, ensuring a positive user experience for administrators.
- **Visual Appeal:** The clear structure and concise presentation of categories make it easy for administrators to manage the product catalog.
- **Branding:** Consistent use of logos and colors reinforces the brand identity of "Next Door Market."

Name	Category	Summary	Price	Stock Quantity	Actions
American Coffee	food	American Coffee American Coffee	1.00\$	30	Edit Delete

The products management page of "Next Door Market" provides administrators with a comprehensive interface to manage all products in the online marketplace. It allows for adding new products, editing existing ones, and monitoring stock levels.

Sections:

 - **Search and Reset:** A search bar and buttons to search for specific comments and reset the search.

3. Comments List:

- **Comment Details:** Each comment includes the commenter's name, date and time of the comment, product status (e.g., Product Deleted), a star rating, and the comment text.
 - **Actions:** Trash can icon for deleting comments.
 - **Comments Examples:**

1. **Commenter:** Abdel Fattah Tayyem

- **Date:** 1/23/2025 4:50:14 PM
 - **Status:** Product Deleted
 - **Rating:** 
 - **Comment:** erwetyryerytryrerraawswether
 - **Actions:** Trash can icon for deletion

2. Commenter: Admin

3. Commenter: Admin

- **Date:** 1/23/2025 4:47:20 PM
 - **Status:** Product Deleted
 - **Rating:** 

- **Comment:** sdfghjkhfgdhjkhgjkfgjdfshgjkhfgdhgjkfdhgfdgdg
- **Actions:** Trash can icon for deletion

4. Commenter: Admin

- **Date:** 1/23/2025 4:46:31 PM
- **Status:** Product Deleted
- **Rating:** ★★★★★
- **Comment:** hi very butgifghfjuydcuhgjtcdfgtu
- **Actions:** Trash can icon for deletion

5. Commenter: Admin

- **Date:** 1/23/2025 4:43:37 PM
- **Status:** Product Deleted
- **Rating:** ★★★★★
- **Comment:** nice hjfgjhjghfjghfjghfjghfjghfjh
- **Actions:** Trash can icon for deletion

4. Footer Section:

- **Text:** "© Next Door Market 2025. All rights reserved."
- **Powered By:** "Powered by eCommerce MVC Template designed by Start Bootstrap."

Functionality:

- **Comment Management:** Allows administrators to view, manage, and delete customer comments.
- **Search and Filter:** Enables users to quickly find specific comments using the search bar and reset button.
- **Navigation:** Allows users to easily access different sections of the e-commerce management system through the sidebar menu.

Design Considerations:

- **User Experience:** The layout is designed to be intuitive and easy to navigate, ensuring a positive user experience for administrators.
- **Visual Appeal:** The clear structure and concise presentation of comments make it easy for administrators to manage customer feedback.
- **Branding:**

The screenshot shows the 'Users' listing page of the Next Door Market application. The left sidebar contains navigation links for Home, Dashboard, Categories, Products, Promos, Orders, Comments, Users (which is highlighted in blue), Roles, Newsletter Subscribers, Languages, and Configurations. The main content area has a header with 'English' and a dropdown, and a search bar with 'Search' and 'Reset' buttons. Below is a table with columns: Registered On, Name, Username, Email, Roles, and Actions. Two user entries are listed:

Registered On	Name	Username	Email	Roles	Actions
1/23/2025 4:49:51 PM	Abdel Fattah Tayyem	Abood	tayyemabood@gmail.com	1	<button>More Details</button>
1/16/2025 9:03:05 PM	Admin	adm_use	adm_use@domain.com	3	<button>More Details</button>

At the bottom, there is a footer with copyright information and a link to the eCommerce MVC template.

Technical Documentation for "Next Door Market" User Management Page
